Dear Shawnee Subscriber,

Thank you for trusting us as your communications provider. We hope 2026 has been a wonderful year for you and that 2027 is even better. We remain committed to providing every customer with exceptional service and a positive experience, and we truly appreciate the privilege of serving you.

Last year, we teamed up with Post Offices in Cave In Rock, Elizabethtown, Equality, Golconda, Goreville, Hammond, Herod, Lovington, Ridgway, Rosiclare, and Vienna to offer our holiday calendars in their lobbies. The program was so well received that we're pleased to bring it back this year. In response to the strong demand reported by Postmasters, we'll supply additional calendars to each location. Calendars will be available starting Friday, December 18th. Stop by to pick one up while supplies last.

Lastly, don't forget that our 12 Days of Christmas Giveaway is almost here! You can visit shawnee.com/12days for the official rules, prize information, and daily winner announcements. You can follow along at facebook.com/shawneecommunications. Good luck!

Everyone at Shawnee Communications wishes you and your family a holiday season filled with warmth, joy, and meaningful connections.
